## 123A 3V LITHIUM BATTERIES

With their ten-year shelf life, stability in cold temperatures, and solid performance in high-drain devices, our Nite Ize® Inova® 123A 3V batteries are a consistently dependable energy source.

Whether you're powering recreational toys, everyday cameras, or serious illumination devices, our dependable, long-lasting 123A 3V lithium batteries provide the steady, long-lasting performance you want. Plus, their ten-year shelf life takes the gamble out of buying them in bulk--stock up and save!

Available in packs of 2 or 6. The 6 pack features re-sealable packaging for easy storage.
