

# CLIP CASE

**CARGO™ | WIDE LOAD**

Extra large phones take extra large falls. And when they're damaged as a result, it's an extra large problem. You need a durable, intuitive solution to keep your larger cell phone with you, in one piece, and at a convenient reach. The Clip Case Cargo Wide Load does just that.

Made of extremely durable ballistic polypropylene, this tough cell phone case for extra large mobile devices of nearly every model, with or without a form fit case, absorbs shocks and shields from the elements. Its patented flex-clip attaches securely over and under your belt, fully rotates for access at any angle, and even locks in eight different positions. Featuring internal pockets and an integrated pen loop, this ultra-functional mobile device case also holds your smaller items like ID, cash, and credit cards for extra convenience. And to top it all off, we've added our Tooth Ferry™ feature to keep your wireless headset or headphones safe and available. Absolutely perfect for those who work and play in rugged environments, and don't want their phones to suffer for it. Perfect for the toughest work and hardest play, our Clip Case Cargo is an innovative accessory for high-tech devices in rugged environments.
