

CLIP CASE

EXECUTIVE™

With its horizontal orientation and high-quality construction, our Clip Case Executive Holster has the refined, professional look that's at home in even the most formal executive environment.

From the materials used to the method of construction, our Clip Case Executive Holster is made with attention to every last detail. We start with an exterior of the highest quality black genuine leather, finely stitched and lined with a soft, non-scratch interior. Durable hook & loop closure keeps your phone safe and secure, and its super strong clip fits on belts up to 2.1875" wide. But most importantly, this cell phone case has a slim, low profile that makes it appropriate to wear to big investor meetings, casual Fridays, and everything in between.
