

# CONNECT CASE™

FOR SAMSUNG® GALAXY S®5

**The Samsung Galaxy S5 is a bigger, brighter android that needs a bigger, brighter case. We've got that covered.**

Specifically designed to fit this bigger, brighter phone, our Connect Case for the Samsung Galaxy S5 perfectly carries, protects and showcases your complex, beautiful android device while keeping all its features accessible. Made of high grade shatterproof Lexan® polycarbonate, it's as slim and lightweight as it is durable and dependable, providing state-of-the-art shock-absorption that shields from every day wear and tear. An innovative flex-hinge design makes insertion and removal from the case quick and easy. Also included: a removable Connect Clip, so you can conveniently attach your phone to pockets, straps, or belts; and an anti-fingerprint clear screen protector. Available in both Black & Mossy Oak® Break-Up Infinity® colors, the Connect Case has a soft-touch feel and positive diamond grip pattern in a slim-line design that mirrors the sleek shape and size of the Samsung Galaxy S5.

We've also created some ingenious optional Connect accessories (think of them as apps for your case) that take connecting to a whole new level.
